

APPENDIX NO.1INSTRUCTIONS FOR RATING THE SCALES

This is an humble attempt to study the pupils' attitudes and the problem of discipline in the secondary schools. Attitude scales are constructed for the investigation.

Scale No. 1 : Education and Educational Programme

Scale No. 2 : Home

Scale No.3 : Teachers

Scale No. 4 : School

In each scale there are about 70 to 80 statements. Each Statement is written on a separate slip. You, as an expert, have to rate these statements into thirteen categories from Most unfavourable to Most favourable. You are given thirteen envelopes on which Nos. 0 - 12 are written. Setting aside your own opinion, you have to judge these statements. Whether it expresses, favourable, unfavourable or neutral attitude towards the particular area.

Envelop numbered 0 will contain Most Unfavourable,
 " " 6 " " Neutral statements.
 " " 12 " " Most favourable "
