

LIST OF GRAPHS

	Page No.
<i>Graphs showing the comparison of t-test results of adolescents, parents and teachers for nonassertive overanxious disorder at all the three levels for:</i>	
Graph I Role-playing group	129
Graph II Covert modeling group	130
Graph II Two techniques combined group	131
Graph IV Control group	132
<i>Graphs showing the comparison of t-test results of adolescents, parents and teachers for nonassertive withdrawn disorder at all the three levels for:</i>	
Graph V Role-playing group	135
Graph VI Covert modeling group	136
Graph VII Two techniques combined group	137
Graph VIII Control group	138
<i>Graphs showing the comparison of the t-test results between adolescents and parents for nonassertive behaviour at all the three levels for:</i>	
Graph IX Role-playing group	141
Graph X Covert modeling group	142
Graph XI Two techniques combined group	143
Graph XII Control group	144
<i>Graphs showing the comparison of t-test results at Pre, Post and Followup levels between girls and boys for:</i>	
Graph XIII Nonassertive overanxious disorder	161
Graph XIV Nonassertive withdrawn disorder	162
Graph XV Nonassertive behaviour	163

*Graphs showing the treatmentwise comparison
of the adolescents' raw mean scores at Pre,
Post and Followup levels for:*

Graph XVI	Nonassertive overanxious disorder	165
Graph XVII	Nonassertive withdrawn disorder	167
Graph XVIII	Nonassertive behaviour	169

*Graphs showing the treatmentwise comparison
of the parents' raw mean scores at Pre, Post
and Followup levels for:*

Graph XIX	Nonassertive overanxious disorder	171
Graph XX	Nonassertive withdrawn disorder	173
Graph XXI	Nonassertive behaviour	175

*Graphs showing the treatmentwise comparison
of the teachers' raw mean scores at Pre, Post
and Followup levels for:*

Graph XXII	Nonassertive overanxious disorder	177
Graph XXIII	Nonassertive withdrawn disorder	179

*Graphs showing the comparison of raw mean
scores of girls and boys at Pre, Post and
Followup levels for:*

Graph XXIV	Nonassertive overanxious disorder	181
Graph XXV	Nonassertive withdrawn disorder	182
Graph XXVI	Nonassertive behaviour	183
