LIST OF TABLES

Sr.No.	Table No.	T a b l e	Page No.
1.	4.1 (a)	Characteristics of Sattva Guna	117
2.	4.1 (b)	Characteristics of Rajas Guna	119
3.	4.1 (c)	Characteristics of Tamas Guna	120
4.	4.2 (a)	Selected characteristics of Sattva Guna	122
5.	4.2 (b)	Selected characteristics of Rajas Guja	123
6.	4.2 (c)	Selected characteristics of Tamas Guna	124
7.	4.3	Sample distribution	131
8.	4.4 (a)	Frequency distribution and selection of extreme groups for Sattva Scores	133
9.	4.4 (b)	Frequency distribution and selection of extreme groups for Rajas scores	134
10.	4.4 (c)	Frequency distribution and selection of extreme groups for Tamas scores.	135
11.	4.5 (a)	Calculation of 't' values on Sattva items	138
12.	4.5 (b)	Calculation of 't' values on Rajas items	140
13.	4.5 (c)	Calculation of 't' values on Tamas items	143

Sr.No.	Table No.	Table	Page No.
14.	4.6 (a)	Item-total correlation on Sattva Scale	146
15.	4.6 (b)	Item-total correlation on Rajas scale	147
16.	4.6 (c)	Item-total correlation on Tamas scale	148
17.	4.7	Sattva characteristics shared by high Rajas and high Tamas groups	151
18.	4.8	Rajas characteristics shared by high Sattva and high Tamas groups	152
19.	4.9	Tamas characteristics sharedby high Sattva and high Rajas groups	153
20.	4.10	Correlation co-efficient between scales i.e. Sattva, Rajas and Tamas	154
21.	4.11	Correlation coefficient between scales on revised test	155
22.	4.12	Correlation coefficient between self-rating by subjects and acquaintance-rating	156
23.	4.13	Correlation co-efficient with Eysenck's MPI	157
24.	4.14	Reliability coefficient	159

Sr.No.	Table No.	Table	Page No.
25.	5.1	Sample distribution professionwise	162
26.	5.2	Sample distribution social-classwise	163
27.	5.3 (a)	Frequency distribution on Sattva Scale	164
28.	5.3 (b)	Frequency distribution on Rajas Scale	165
29.	5.3 (c)	Frequency distribution on Tamas Scale	166
30.	5.4	Mean and standard deviation of the total sample on three scales	166
31.	5.5	Decile points on the three scales	168
32.	5.6 (a)	Population distribution between $\pm$ 1,2 and 3σ on Sattva Scale	172
33.	5.6 (b)	Population distribution between $\pm$ 1, 2 and 3σ on Rajas Scale	172
34.	5.6 (c)	Population distribution between $\pm$ 1, 2 and 3σ on Tamas Scale	172
35.	5.7 (a)	Five categories on Sattva Scale	173
36.	5.7 (b)	Five categories on Rajas Scale	173
37.	5.7 (c)	Five categories on Tamas Scale	174
38.	5.18 (a)	Conversion of Raw score into standard score on Sattva Scale	175

Sr.No.	Table No.	Table	Page No.
39.	5.8 (b)	Conversion of Raw score in-to standard score on Rajas Scale	176
40.	5.8 (c)	Conversion of Raw score in-to standard score on Tamas Scale	177
41.	5.9 (a)	Significance of Mean difference for Teachers Vs. Clerks groups on Sattva Scale	179
42.	5.9 (b)	Significance of Mean difference for Teachers Vs. Clerks groups on Rajas Scale	179
43.	5.9 (c)	Significance of Mean difference for Teachers Vs. Clerks groups on Tamas Scale	179
44.	5.10 (a)	Significance of Mean difference for Teachers Vs. Businessmen groups on Sattva Scale	180
45.	5.10 (b)	Significance of Mean difference for Teachers Vs. Businessmen groups on Rajas Scale	180
46.	5.10 (c)	Significance of Mean difference for Teachers Vs. Businessmen groups on Tamas Scale	180
47.	5.11 (a)	Significance of Mean difference for Teachers Vs. Engineers groups on Sattva Scale	181
48.	5.11 (b)	Significance of Mean difference for Teahcers Vs. Engineers groups on Rajas Scale	181

Sr.No.	Table No.	Table	Page No.
49.	5.11 (c)	Significance of Mean difference for Teachers Vs. Engineers groups on Tamas Scale	181
50.	5.12 (a)	Significance of Mean difference for Businessmen Vs. Engineers groups on Sattva Scale	182
51.	5.12 (b)	Significance of Mean difference for Businessmen Vs. Engineers groups on Rajas Scale	182
52.	5.12 (c)	Significance of Mean difference for Businessmen Vs. Engineers groups on Tamas Scale	182
53.	5.13 (a)	Significance of Mean difference for Clerks Vs. Businessmen groups on Sattva Scale	183
54.	5.13 (b)	Significance of Mean difference for Clerks Vs. Businessmen groups on Rajas Scale	183
55.	5.13 (c)	Significance of Mean difference for Clerks Vs. Businessmen groups on Tamas Scale	183
56.	5.14 (a)	Significance of Mean difference for Clerks Vs. Engineers groups on Sattva Scale	184
57.	5.14 (b)	Significance of Mean difference for Clerks Vs. Engineers groups on Rajas Scale	184

Sr.No.	Table No.	Table	Page No.
58.	5.14 (c)	Significance of Mean difference for Clerks Vs. Engineers groups on Tamas Scale	184
59	5.15 (a)	Comparative status among the groups on Sattva Scale	185
60.	5.15 (b)	Comparative status among the groups on Rajas Scale	186
61.	5.15 (c)	Comparative status among the groups on Tamas Scale	186
62.	5.16 (a)	Significance of Mean difference for Upper Caste Vs. Lower Caste groups on Sattva Scale	188
63.	5.16 (b)	Significance of Mean difference for Upper Caste Vs. Lower Caste groups on Rajas Scale	188
64.	5.15 (c)	Significance of Mean difference for Upper Caste Vs. Lower Caste groups on Tamas Scale	188
65.	5.17 (a)	Significance of Mean difference for old Vs. young groups on Sattva Scale	190
66.	5.17 (b)	Significance of Mean difference for old Vs. young groups on Rajas Scale	190

Sr.No.	Table No.	Table	Page No.
67.	5.17 (c)	Significance of Mean difference for old Vs. young groups on Tamas Scale	190
68.	5.18 (a)	Significance of Mean difference for Male Vs. Female groups on Sattva Scale	191
69.	5.18 (b)	Significance of Mean difference for Male Vs. Female groups on Rajas Scale	192
70.	5.18 (c)	Significance of Mean difference for Male Vs. Female groups on Tamas Scale	192
71.	5.19 (a)	Significance of Mean difference for Urban Vs. Rural groups on Sattva Scale	193
72.	5.19 (b)	Significance of Mean difference for Urban Vs. Rural groups on Rajas Scale	193
73.	5.19 (c)	Significance of Mean difference for Urban Vs. Rural groups on Tamas Scale	193
