

## ACKNOWLEDGEMENTS

Many persons have contributed to the present research. I express my sincere thanks to all of them.

Dr. Romesh K. Parlikar, my guide has played just the perfect role in letting me work on my own, yet, always being there to provide the right cues that helped shape the present research. In spite of his retirement he has always been readily approachable and available. My sincere thanks to you Dr. Parlikar.

My thanks for the co-operation extended by the principals of the following schools : Baroda High School, Bright English Medium School, Basil School, Sanskar Vidyalay, and Navyug English Medium School.

My sincere thanks to the girls and boys whose enthusiastic participation made this research possible.

Special thanks to Dr. N. S. Pathak for taking an interest in my research, and providing appropriate feedback and insightful suggestions.

Thank you Dr. (Mrs.) Kalpana R. Parlikar, for helping me to identify the right guide for my research.

My deepest sense of gratitude to my parents. Only because of your reassuring presence, ever familiar concern, support and encouragement, this research has come through. Mummy, Daddy, I am forever in your debt.

Thank you Reshma for your "to the point" and precise suggestions and feedback, as well as the various shortcuts suggested during the different stages of the research.

Thank you Shagufa, for going through all the drafts from day one. The ease with which you peruse all the chapters, at the same time not missing a single fullstop or coma, is mind-boggling. Your expertise and keen analytical mind have been indispensable in completing my research.

Shreedhar, thank you for your constant encouragement for this endeavour.
