Acknowledgements are customary in offering an Academic dissertation. For me, they are more than customary. I am deeply indebted to express my feelings of gratitude to the persons who helped, directly or indirectly in completing this task.

First of all, let me acknowledge my deep sense of gratitude to my guide, Dr. N.S.Pathak, Dean, Faculty of Education & Psychology of the M.S.University of Baroda, Baroda without whose continued stimulation & supervision I could hardly have completed this task.

I am equally grateful & indebted to Mrs. S.N.Pathak who occasionally encouraged and took genuine interest in my work.

I am also grateful and indebted to :

- Mr. Y.A.Saiyed - Dy. General Manager of Gujarat Alkalies and Chemicals Limited.
- Mr. I.P.Joshi - Chief Personnel Manager of Gujarat Communications & Electronics Limited.
- Dr. M.K.Ghosh - General Superintendent of Gujarat State Fertilizers Company Limited.
- Mr. D.R.Amin - Manager (P&A) of Gujarat Tractors Corporation Limited.

for their valuable guidance and without whose help, I would not have secured permission to carry out my research over there in their respective organisations.

I take this opportunity of thanking all the respondents of G.S.F.C., G.A.C.L., G.C.E.L., G.T.C.L. without whose co-operation it would not have been possible for me to complete this Study.

My thanks are also due to Dr. M.D.Vyas, Reader, Faculty of Social Work, The M.S.University of Baroda, Baroda who took keen interest in my Academic pursuits and inspired me to join this course.

My Thanks are also due to Dr. R.K.Parlikar for giving me necessary help, support and encouragement by actively involving in my work.

I am equally grateful to my parents Mrs. & Mr. S.I.Holia and particularly my mother Mrs. Hasina Holia with whom I stayed in my childhood and tried to copy them in my life. It is the gift of their company that I never had any second thought than to go for education, higher and higher.

I, ofcourse, have no word of thanks for my wife Mrs. Shabistan. Besides doing her own studies and looking

after domestic activities, she helped me in sorting out papers, making abstracts, preparing tables and references.

I am thankful to the staff of the Smt. Hansa Mehta Library, Case Library as well as the Faculty of Social Work Library for the help given to me.

Last but important person Mr. K.K.Bansal for me who has helped me with the computerization of my research work i.e. designing layout of the questionnaire of the computer, followed with the data tabulation and statistical analysis and formatting of my Thesis. He deserves my special word of appreciation.
