

APPENDIX F
INTERVIEW SCHEDULE FOR PARENTS OF HEARING
IMPAIRED STUDENTS

- Q. 1. Does your HI child hesitate in making social visits? If yes, then why?
- Q. 2. Do you think that HI children are emotionally more sensitive? If yes, then why do you feel so?
- Q. 3. Do you think that HI children are more aggressive, stubborn, suspicious and hyperactive in comparison to normal hearing children? If yes, then why do you feel so?
- Q. 4. As a family are you always able to communicate with your hearing impaired child?
- Q. 5. Does your hearing-impaired child need some special attention or care? If yes, please mention.
- Q. 6. Does your HI child and his hearing brother or sister share the same relationship like any other brother and sister? If no, then why do you feel so?
- Q. 7. Do you help your HI child in his studies?
- Q. 8. How long are you planning to continue his academic career? And why?
- Q. 9. According to you what is the major hurdle in HI children's education?
- Q. 10. Do you think that HIS are always offered low professional choice, in spite of their capabilities to perform other jobs?
- Q. 11. Are you satisfied with the services provided by NGO's or rehabilitation organizations for HIS in your city? If not, what else you would like such organizations to do?
