

## ACKNOWLEDGEMENTS

This research would not have materialized in the form it is today, had it not been for my guide Prof. Urmi Nanda Biswas, former Head of the Department of Psychology, The Maharaja Sayajirao University of Baroda, Vadodara. She is a role model and a source of inspiration for me.

I would like to thank my family for adjusting to the demands on the researcher's time. This was many a times carved out of "their" time. Thanks Mayur, Heli, KSM, PKM, Bha, Mumsie, Bhavana, Sonal, Shrikant and Mital.

I feel very privileged to be in a position where the employees have generously shared their self, stories and experiences during the training modules. I would like to thank all the employees of this research study who allowed a glimpse into their lives till now by sharing their lifelines, their experiences and their challenges which helped the researcher in me know about their trials.

I would like to thank all those who helped by allowing me in their organizations and thus giving me an opportunity to interact with the employees. These include Mr. S.R. Kulkarni, Mr. Aniruddha Panchal, Mr. Gaurang Raval, Mr. Suresh Rajagopalan, Mr. Nigam Madaan, Ms. Archana Gupta, Ms. Elizabeth Praveen, Mr. Pallav Anjaria, Ms. Krishna Vaidya, Mr. Dattesh Shah, Mr. Aayush Vyas, Mr Andy, Dr. Pramod Solanki, Mr. D. Dhamala, Ms. Savitha Gaekwad, Mr. Sushant Khuspe, Mr. Rohit Chandorkar, Ms. Himani Chemburkar, Ms. Rashmi Kulkarni, Mrs. Vaishali Patil and Dr. Anand Patil for their support in data collection.

I would also like to thank the Department of Psychology members and staff of Hansa Mehta Library at Maharaj Sayajirao University of Baroda for all the support they have provided during the literature survey and while writing the thesis.
