LIST OF APPENDICES

APPENDIX NO.		<u>Page</u>
		618-799
I.	Ahluwalia's Teacher Attitude Inventory	619
II.	Section 1 Student Information Blank(SIB) Section 2 Rating Scale of Awareness of Recent Developments in Education and the Check List of Utilisation of Sources of Information for Awareness-Knowledge of B.Ed and M.Ed students	627
III.	Test on Knowledge of Recent Developments in Education for B.Ed and M.Ed students	645
IV.	The Key to the Test on Knowledge of Recent Developments in Education for B.Ed and M.Ed students	658
V.	Instruction to Expert Judges for categorising Recent Developments in List I and Rating them for their Significance and adding items to the List	659
VI.	Classification, Mean Significance Score and Decision on Selection/rejection of items of Recent Developments in Education in List I according to Expert-Judgment.	665
VII	Reasons for Rejection/Dropping certain items from List I of Recent Developments in Education, based on Expert Judgment.	668
VIII	List II of Recent Developments in Education for Teacher-educators' Rating on Signifi- cance and Essentiality.	670
IX.	The Rating of Teacher-educators of the University of Madras on Significance of List II items of Recent Developments and Essentiality of the Knowledge of these items for B.Ed students	688
X.	Items of List II of Recent Developments in Education selected or rejected based on the rating for Significance by the Teacher- educators for inclusion in the Scale of Awareness of Recent Developments in Education	692
XI."	Items of List II of Recent Developments in Education selected based on the rating by the teacher-educators for Essentiality of the Knowledge of the item for B.Ed students for inclusion in the Pilot Test on Knowledge of Recent Developments in Education.	693

List of Appendices (Contd.)

APPENDIX NO.		PAGE
XII.	The Background of the Teacher-educators, their Rating for Significance of Recent Developments in Education and their Rating for Essentiality of Knowledge of these items to B.Ed students.	694
XIII.	The Composition of the Pilot Test on Knowledge of Recent Developments in Education in terms of Items of Recent Developments according to List II and their corresponding Test-item Numbers in the Pilot Test.	705
XIV.	Instruction to Expert-Judges (Educational Evaluation) for perfecting the Pilot Test on Knowledge of Recent Developments in Education	707
XV.	Expert-Judgement on classification of objectives of Test items and Difficulty Level of Test-items for the Pilot Test on Knowledge of Recent Developments in Education.	709
XVI.	The Pilot Test on Knowledge of Recent Developments in Education.	715
XVII.	The Key to the Pilot Test on Knowledge of Recent Developments in Education	732
XVIII.	The performance of the entire sample of 274 B.Ed students in the Pilot Test of Knowledge of Recent Developments in Education and the Difficulty Index of each Test-item.	733
XIX.	Item-wise Performance of the Upper and Lower Groups of B.Ed students at the Pilot Test on Knowledge of Recent Developments in Education and Validity Indices of items	737
XX.	Item-wise Performance of the Upper and Lower Groups of B.Ed students in the Pilot Test of Knowledge of Recent Developments in Education The choice of the Alternatives.	744
XXI.	The Results of Item-Analysis for the Pretesting of the Pilot Test on Knowledge of Recent Developments in Education with a sample of 274 B.Ed students	751
XXII.	The Classification of the Test-items of the Final Test on Knowledge of Recent Developments in Education by Eight Judges in terms of Objectives.	756

List of Appendices (Contd.)

APPENDIX NO.		PAGE
XXIII.	The Final Test on Knowledge of Recent Developments in Education - Estimated Difficulty Level of the Test-items by Eight Judges for the Target-population of B.Ed Students.	754
XXIV.A.	Significance of Parital r's with values from the sample of B.Ed students.	764
XXIV.B.	Significance of Partial r's with values from the sample of M.Ed students.	768
XXV. A.	Multiple Regression Equations for predicting criterion Educational variables with reference to B.Ed students	771
XXV. B.	Multiple Regression Equations for predicting Criterion Educational Variables with reference to M.Ed students	772
XXVI.A.	Multiple correlation Analysis in the B.Ed. sample-study of the significance of Multiple R's	773
XXVI.B.	Multiple correlation Analysis in the M.Ed sample-study of the significance of Multiple R's	774
XXVII.A.	The values of the Interval Estimates for the Partial Regression coefficients, that were significant in the B.Ed student population	775
XXVII.B.	The values of the Interval Estimates for the Partial Regression co-efficients that were significant in the M.Ed student population.	776
XXVIII.A.	Recent Developments in Education arranged in Rank order based on the Awareness of B.Ed students of the Madras University	777
XXVIII.B.	Recent Developments in Education arranged in Rank order, based on the Awareness of M.Ed students of the Madras University	784
XXIX.	A comparative study of the Actual Percentage of B.Ed and M.Ed students utilising the Ten Sources of Information for developing Awareness-Knowledge of the Twelve categories of Recent Developments	791

List of Appendices (Condtd.)

APPENDIX NO.		PAGE No.
XXX.	A comparative study of Proportion of Actual Utilisation of the Ten Sources of Information by B.Ed and M.Ed students of the Madras University for developing Awareness - Knowledge of Twelve categories of Recent Developments	792
XXXI.	Objective Test on Knowledge of Recent Developments in Education for B.Ed and M.Ed students of the Madras University-Item Statements, Facility Value for B.Ed and M.Ed Groups and Rank Status of Test Items	793
XXXII.A.	Test on Knowledge of Recent Developments in Education and the Performance of B.Ed students of the Madras University-Items of Recent Developments arranged in Rank Order Status based on Facility Values	796
XXXII.B.	Test on Knowledge of Recent Developments in Education and the Performance of M.Ed students of the Madras University-Items of Recent Developments arranged in Rank Order Status based on Facility Value	798
