

## LIST OF TABLES

Table No.		Page
3.1	: Pairing the Observations - An Illustration ..	106
3.2	: Interaction Analysis Matrix - An Illustration ..	107
4.1	: Master Matrix of 205 Teachers of Social Studies and Science ..	114
4.2	: Master Matrix of 70 Social Studies Teachers ..	115
4.3	: Master Matrix of 70 Science Teachers ..	116
4.4	: Master Matrix of 48 Trained Teachers ..	117
4.5	: Master Matrix of 48 Untrained Teachers ..	118
4.6	: Master Matrix of 41 Teachers having Experience upto 5 Years ..	119
4.7	: Master Matrix of 41 Teachers having Experience above 10 Years ..	120
4.8	: Total Observations of Different Kinds of Questions and the Chi-square Value of Social Studies and Science Teachers ..	136
4.9	: Percentages of Different Kinds of Questions of Social Studies and Science Teachers ..	138
4.10	: Percentages of Preceding and Succeeding Events of Category - 2a of Social Studies and Science Teachers ..	142
4.11	: Percentages of Preceding and Succeeding Events of Category - 2b of Social Studies and Science Teachers ..	144
4.12	: Percentages of Preceding and Succeeding Events of Category - 2c of Social Studies and Science Teachers ..	147
4.13	: Percentages of Preceding and Succeeding Events of Category - 2d of Social Studies and Science Teachers .. ..	149
4.14	: Percentages of Preceding and Succeeding Events of Category - 2e of Social Studies and Science Teachers .. ..	152
4.15	: Percentages of Preceding and Succeeding Events of Category - 2f of Social Studies and Science Teachers .. ..	155

Table No.		Page
4.16	: Percentages of Categories - 2a, 2b, 2c, 2d, 2e, 2f in Relation to Categories 5 and 6 of Social Studies and Science Teachers	..157
4.17	: Total Observations of Different Kinds of Questions and the Chi-square Value of Trained and Untrained Teachers	..159
4.18	: Percentages of Different Kinds of Questions of Trained and Untrained Teachers	..161
4.19	: Percentages of Preceding and Succeeding Events of Category - 2a of Trained and Untrained Teachers	..164
4.20	: Percentages of Preceding and Succeeding Events of Category - 2b of Trained and Untrained Teachers	..167
4.21	: Percentages of Preceding and Succeeding Events of Category - 2c of Trained and Untrained Teachers	..170
4.22	: Percentages of Preceding and Succeeding Events of Category - 2d of Trained and Untrained Teachers	..173
4.23	: Percentages of Preceding and Succeeding Events of Category - 2e of Trained and Untrained Teachers	..175
4.24	: Percentages of Preceding and Succeeding Events of Category - 2f of Trained and Untrained Teachers	..177
4.25	: Percentage of Categories - 2a, 2b, 2c, 2d, 2e 2f in Relation to Categories 5 and 6 of Trained and Untrained Teachers	..179
4.26	: The Chi-square Value of the Teachers having Experience upto 5 Years and having Experience above 10 Years	..182
4.27	: Percentages of Different Kinds of Questions of the Teachers having Experience upto 5 Years and having Experience above 10 Years	..184
4.28	: Percentages of Preceding and Succeeding Events of Category - 2a of the Teachers having Experience upto 5 Years and the Teachers having Experience above 10 Years	..188

Table No.		Page
4.29	: Percentages of Preceding and Succeeding Events of Category 2b of the Teachers having Experience upto 5 Years and the Teachers having Experience above 10 Years	..190
4.30	: Percentages of Preceding and Succeeding Events of Category 2c of the Teachers having Experience upto 5 Years and the Teachers having Experience above 10 Years	..193
4.31	: Percentages of Preceding and Succeeding Events of Category 2d of the Teachers having Experience upto 5 Years and the Teachers having Experience above 10 Years	..197
4.32	: Percentages of Preceding and Succeeding Events of Category 2e of the Teachers having Experience upto 5 Years and the Teachers having Experience above 10 Years	..199
4.33	: Percentages of Preceding and Succeeding Events of Category 2f of the Teachers having Experience upto 5 Years and the Teachers having Experience above 10 Years	..202
4.34	: Percentages of Categories - 2a, 2b, 2c, 2d, 2e and 2f in Relation to Categories 5 and 6 of the Teachers having Experience upto 5 Years and the Teachers having Experience above 10 Years	..205
