

APPENDIX - AA LETTER TO THE SNR. SEC.SCHOOL PRINCIPAL

CENTRE OF ADVANCED STUDY IN EDUCATION
 FACULTY OF EDUCATION & PSYCHOLOGY
 M.S. UNIVERSITY OF BARODA
 BARODA - 390 002

DATE:

To,
 THE PRINCIPAL,

Re: Ph.D. STUDY "AN EVALUATION OF THE SNR. SEC.
 SCHOOL PHYSICS TEXTBOOKS PRODUCED BY NCERT."

Dear Sir/Madam,

I would be grateful if you please consider the following few lines: I have registered for my Ph.D., under Prof. Sunirmal Roy, Co-ordinator, Centre of Advanced Study in Education, MSU, Baroda. To support my evaluative study of the Snr. Sec. School new Physics textbooks produced by NCERT, I wish to study the opinions of teachers and students who are using these books. In this connection may I make an appeal to you Sir, to please do the following :

1. Please request the physics teacher for Std. XI and Std. XII to respond to the questionnaire for teachers (encl.)
2. With the help of the senior physics teacher, please select one average student and one bright student each from STD. XI and STD. XII and please see that they respond to Questionnaires for students (Encl: 4 Copies).
3. Kindly make AN EARLY arrangement for the posting of the completed Questionnaires (1+4) (self addressed stamped envelope is enclosed).

Hope you would agree with me, that studies of this type would directly or indirectly help Institutions such as yours to improve the teaching-learning process; hence may I once again request you sir, to kindly help me by giving your full cooperation and prompt response.

Thanking you sir,

Yours faithfully,
 (Sd)-
 (DIVAKARA RAO YEKKAR)

ENCL: 1. Xerox copy of the letter
 from CBSE,
 2. Questionnaires (1+4)
 3. Self addressed Stamped Envelope.
