

APPENDIX - E

CENTRE OF ADVANCED STUDY IN EDUCATION
FACULTY OF EDUCATION & PSYCHOLOGY
M.S. UNIVERSITY, BARODA.

AN OPINIONNAIRE FOR THE EXPERTS

(RE : AN EVALUATION OF SNR. SEC. SCHOOL PHYSICS TEXTBOOKS
PRODUCED BY NCERT.)

- (1) Are the topics adequate and systematically developed ?
- (2) Is the emphasis on development of concepts than on description of facts and details ?
- (3) Are illustrations/diagrams/pictures adequate in number ?
- (4) Do you think the concepts and facts given in the textbooks are accurate, upto date and easy to understand for the students ?
- (5) Do you think the textbooks would help the students to get training in the scientific method ?
- (6) Do you find some assignments for self-study in the textbooks ?
- (7) Are the examples worked out in the textbooks very useful in solving the problems at the end of chapters ?
- (8) Are there enough problems/activities/questions in the end-of-the chapters exercises ?
- (9) Do you think that the language used in the textbooks is clear and interesting for communication ?
- (10) Are you satisfied with the get-up and the print of the textbooks ?
- (11) On the whole, do you think that the textbooks reflect the nature and structure of science in general and physics in particular ?
- (12) Are these textbooks really useful for planning of day to day teaching ?

Please state any other specific comments not covered by the above items.
