Dear Sir/Madam,

This has reference to the questionnaire I had sent you on an earlier date concerning your job-placement after the completion of course at the M.S.University of Baroda. This letter is specially to remind you that I am still eagerly awaiting your response since this information is vital for the conduct of my doctoral project. Please treat it almost as a distress call and help me by sending the questionnaire filled in at your earliest. I will be extremely grateful if you will kindly cooperate with my endeavour.

Thanking you,

Yours faithfully,

( N. PRADHAN )
