

## **Paper Presented:**

- **“National Conference on Analytical Science and technology, 2015”** entitled *“Determination of the dissipation kinetics of tebuconazole in three types of Indian soil under laboratory condition”*. Organized by Indian Society of Analytical Science, **September 24-26, 2015**, Munnar, Kerala.
- **“ICAAC 2016 : 18th International Conference on Advanced Analytical Chemistry”** entitled *“Dissipation of tebuconazole in cropland soils as affected by soil factors “*, Organized by World Academy of Science, Engineering and Technology, August 30-31, 2016, **Bangkok, Thailand**. The Abstract published in International Journal of Chemical and Molecular Engineering Vol:3, No:8, 2016.
