

List of Figures

Figure 4.1 Annual Rainfall in Vadodara District from 2014 to 2018.....	30
Figure 4.2 Location of Freshwater Reservoirs	32
Figure 4.3 Timbi Reservoir (Image source: Google earth)	33
Figure 4.4 Vadadala Reservoir (Image source: Google earth)	34
Figure 4.5 Dhanora Reservoir (Image source: Google earth).....	34
Figure 6.1 Seasonal variation in temperature of water at study sites	51
Figure 6.2 Seasonal variation in pH of water at study sites.....	52
Figure 6.3 Seasonal variation in Electrical Conductivity of water at study sites	52
Figure 6.4 Seasonal variation in Dissolved Oxygen of water at study sites	53
Figure 6.5 Seasonal variation in Chlorophyll a in water at study sites.....	54
Figure 6.6 Seasonal variation of nitrate concentration in water at study sites	55
Figure 6.7 Seasonal variation of Phosphate concentration in water at study sites.....	56
Figure 6.8 Seasonal variation of Total Dissolved Solid concentration in water at study sites	57
Figure 6.9 Seasonal variation of Total Suspended Solid concentration in water at study sites	57
Figure 6.10 Seasonal variation of Total Solid concentration in water at study sites.....	58
Figure 6.11 Seasonal variation in Chloride concentration of water at study sites	58
Figure 6.12 Seasonal trend in Sediment temperature at study sites.....	67
Figure 6.13 Seasonal trend in pH at study sites.....	68
Figure 6.14 Seasonal trend in Electrical Conductivity at study sites	68
Figure 6.15 Seasonal trend in Sediment Organic Carbon content at study sites	69
Figure 6.16 Seasonal trend in Sediment Organic Matter content at study sites	69
Figure 6.17 Seasonal trend in Sediment Nitrate content at study sites	70

Figure 6.18 Seasonal trend in Sediment Phosphate content at study sites	70
Figure 6.19 Microscopic field of a Sedgwick Rafter cell containing numerous planktonic cells	74
Figure 6.20 Multiple strands of <i>Spirulina</i> sp. (Class: Cyanophyceae)	74
Figure 6.21 <i>Spirogyra</i> sp. (Class: Chlorophyceae)	75
Figure 6.22 <i>Euglena</i> sp. (Class: Euglenophyceae) (within the box)	75
Figure 6.23 <i>Pleurosigma</i> sp. (Class: Bacillariophyceae) (within the box)	76
Figure 6.24 Class wise Phytoplankton composition at Timbi reservoir	77
Figure 6.25 Class wise Phytoplankton composition at Dhanora reservoir	77
Figure 6.26 Class wise Phytoplankton composition at Vadadala reservoir	78
Figure 6.27 Abundant Macrophytes at Timbi Reservoir	78
Figure 6.28 Sorenson's Similarity Index between the sites with reference to phytoplankton diversity	80
Figure 6.29 Wetland Birds at different study sites	81
Figure 6.30 Wetland Birds at different study sites;	82
Figure 6.31 Non wetland birds at different study sites:	83
Figure 6.32 Sorenson's Similarity Index between the sites	84
