

List of Tables

Table 2.1 Drought Indices based on multispectral remote sensing data	17
Table 2.2 Drought Indices based on thermal remote sensing data.	19
Table 2.3 Contextual examples of various SDSS from different application domains	30
Table 2.4 Developed SDSS for vegetation monitoring and drought assessment	32
Table 3.1 Taluks of Kachchh District	38
Table 3.2 Rainfall & Temperature of Kachchh district.....	51
Table 3.3 Population and categories in Kachchh District (Census of India 2011).....	53
Table 3.4 Total and Main Workers of Kachchh District (Census 2011)	55
Table 3.5 Statistics of Marginal Workers of Kachchh District (Census 2011).	56
Table 4.1: Satellite dataset and sources.....	63
Table 4.2: VCI Ranges and Class Values.....	69
Table 4.3: NDVI Deviation Ranges and Classes	70
Table 4.4: NDWI Anomaly ranges and classes	71
Table 4.5: ISDI ranges and classes	78
Table 5.1 Tools and Technologies	80
