I bend my knees, lift my hands and bow my head to the Almighty God for giving this life and blessing me to reach my goal.

This academic effort of mine would not have become in realism without the corporation extended to me by a number of people at different stages of my work.

I would like to express my heartfelt gratitude to my respected guide Prof. Rolee Kanchan, Department of Geography, Faculty of Science, The M. S. University of Baroda, for her encouragement, advice and valuable guidance. Her teaching, support, motivations and drive to work was invaluable. I am deeply honoured to have had the opportunity to work with her. Her motherly care gives me strength to move towards my goal efficiently. I sincerely thank Prof. N. R. Dash and Prof. Bindu Bhatt, Head, Department of Geography, Faculty of Science for their motivation, timely help and for providing departmental facilities. I will forever be indebted to Dr. Tathagata Ghosh, Lecturer, Modi University of Science and Technology, for his kind assistance, guidance and unconditional help. I am grateful to Dr. Shilpi Kushwaha and Mr. Harnish Soni, Department of Chemistry, Faculty of Science for their suggestions and help during the chemical analysis of water.

I am thankful to Indian Council of Social Science Research (ICSSR) for the timely support during the period of March 2011 to October 2011.

I am thankful to Met Chem Laboratory, Sayajigunj, Vadodara, Gujarat, for supporting me in water analysis.

I would like to thank the entire staffs of Smt. Hansa Mehta Library and Library of Geography Department, Faculty of Science, The M.S. University of Baroda, for providing the valuable literary resources. I would also appreciate the contribution of the teaching and non teaching staff of the Department of Geography.

I am grateful to all the people of the villages and urban areas where I had visited, for providing the amicable hospitality and making my fieldwork more comfortable and successful.

I am glad to thank Mrs. Vanya Bajpai, Mrs. Gauri Vipra, Mrs. Vaishali Bhatt, Mr. Bikramjit Barooah, Mr. Sukanta Saha, Mr. Somnath Saha and Ms. Vaidehi Kanchan for their valuable contribution in my work.

I take this opportunity to thank all my hostel friends Dr. Sobita Devi, Dr. Menaka Chanu, Dr. Vishakha Pandit, Navjot Kour, Vibha Vansola, Shagufta Noor, Devanshi Desai, Moirangthem Shivarani, Thongram Nayasha and Yumnam Bandana for the great time we had together in Baroda.

My research work would not been successful without the continuous support and encouragement of my family. Dr. Chandam Ibomcha Singh, my father and Mrs. Kangjam Mema Devi, my mother deserve special thanks for being by my side in all the time of need.

I would also like to express my truthful gratitude to Mr. Thoudam Hitler. This study would not be possible without his motivation and support in every step of my work.

I end by extending earnest gratitude to all the people who directly or indirectly have helped me in my research work.

Chandam Chandabadani Devi
