

LIST OF TABLES

TABLE NO.	PAGE
1 : Statistics of University Libraries in U.K. and U.S.A.	.. 16
2 : Statistics on University and College Libraries in India.	.. 19
3 : Coefficients of Correlation Between Three Criteria of Institutional Excellence and Six Different Measures of Library Holdings...	45
4 : Summary of General Circulation Averages, Fifty five Institutions.	.. 53
5 : Summary of Reserve Book Circulation Averages, Twelve Institutions.	.. 54
6 : Summary of Studies of Negligible Use of General Collection, 8 Institutions, 6052 Students.	.. 57
7 : Summary of Studies of Negligible Use of Reserve Book Collection, 12 Institutions, 6333 Students.	.. 58
8 : Growth of Delhi University Library from 1945-46 to 1964-65.	..111
9 : Number of Final Year Post-Graduate Students in Various Faculties During 1968-69.	..152
10 : Number of Students in Different Subjects in Sr.M.A. Class and the Number Included in the Sample.	..156
11 : Number of Students in Different Subjects in M.Sc. Final Class and the Number included in the Sample.	..157
12 : Number of Students in the B.Ed. class and the Number Included in the Sample.	..159

(LIST OF TABLES)

=====	
TABLE NO.	PAGE
13 : Sex-wise Distribution of Students in M.A., M.Sc. and B.Ed. Samples and the Entire Sample.	..159
14 : Agewise Distribution of Students in the Samples.	..160
15 : Means and Standard Deviations of the Age of Students in the Samples.	..161
16 : Book Stock of the Hansa Mehta Library in 1968-69.	..167
17 : Number of Registered Readers in Various Categories in 1968-69.	..168
18 : The Statistics of the Use of the Library in 1968-69.	..169
19 : Means and Standard Deviations of Books taken for Home Reading.	..178
20 : Means and Standard Deviations of Reading Done Per Week in the Library.	..183
21 : Means and Standard Deviations of Books and Journals Read Per Week in the Library.	..184
22 : Means and Standard Deviations of Books owned by Students.	..185
23 : Books and Journals Received by Students Per Week from Other Sources.	..186
24 : Means and Standard Deviations of Books Obtained by Students from Sources Other than the Hansa Mehta Library, per Week.	..187
25 : Difficulties in Getting Books from the Library.	..187
26 : Means and Standard Deviations of Scores on the Library Familiarity Test.	..191
27 : Means and Standard Deviations of the Total Library Use Index Scores.	..194

(LIST OF TABLES)

=====

TABLE NO.	PAGE
28 : Socio-economic Status of Students.	.. 197
29 : Means and Standard Deviations of the Socio-economic Status of Students.	.. 198
30 : Means and Standard Deviations of the Level of Intelligence of Students (As measured by Total of Raw Scores on the Progressive Matrices Test).	.. 203
31 : Number of Students in the Samples Who have Graduated From Different Universities.	.. 206
32 : Number of Students in the Samples Graduating from Universities in Gujarat State.	.. 208
33 : Means and Standard Deviations of the Marks Obtained at the Qualifying Examination by Students.	.. 209
34 : Means and Standard Deviations of the Final Examination Marks of Students.	.. 211
35 : Means and Standard Deviations of Past-Achievement, Intelligence and Socio-economic Status for the Three Samples.	.. 229
36 : Means and Standard Deviations of Total Library Use Index Scores.	.. 229
37 : Analysis of Variance for the M.A. Sample, 9 Independent Variables.	.. 234
38 : Partial Regression Coefficients, Their Respective Standard Errors and t Values for the M.A. Sample, 9 Independent Variables.	.. 235
39 : Analysis of Variance for the M.Sc. Sample, 9 Independent Variables.	.. 237
40 : Partial Regression Coefficients, Their Respective Standard Errors and t Values for the M.Sc. Sample, 9 Independent Variables.	.. 238
41 : Analysis of Variance for the B.Ed. Sample, 9 Independent Variables.	.. 239

(LIST OF TABLES)

=====	
TABLE NO.	PAGE
42 : Partial Regression Coefficients, Their Respective Standard Errors and t Values for the B.Ed. Sample, 9 Independent Variables.	241
43 : Analysis of Variance for the Entire Sample, 9 Independent Variables.	..243
44 : Partial Regression Coefficients, Their Respective Standard Errors and t Values for the Entire Sample, 9 Independent Variables.	..244
45 : Analysis of Variance for the M.A. Sample, 4 Independent Variables.	..246
46 : Partial Regression Coefficients, Their Respective Standard Errors and t values for the M.A. Sample, 4 Independent Variables.	247
47 : Analysis of Variance for the M.Sc. Sample, 4 Independent Variables.	...248
48 : Partial Regression Coefficients, Their Standard Errors and t Values for the M.Sc. Sample, 4 Independent Variables.	..249
49 : Analysis of Variance for the B.Ed. Sample, 4 Independent Variables.	..250
50 : Partial Regression Coefficients, Their Standard Errors and t Values for the B.Ed. Sample, 4 Independent Variables.	..251
51 : Analysis of Variance for the Entire Sample, 4 Independent Variables.	..252
52 : Partial Regression Coefficients, Their Standard Errors and t Values for the Entire Sample, 4 Independent Variables.	..253
