

vi

# LIST OF TABLES

TABLE		PAGE
1.1	Distribution of scheduled tribe population .....	11
1.2	Population distribution according to age and sex .....	14
1.3	Population distribution according to educational level .....	15
1.4	Districtwise distribution of scheduled tribe .....	20
1.5	Percentage distribution of population by age groups .....	20
1.6	Distribution of 1,000 scheduled tribe males and females by educational level...	21
4.1	Groupwise frequency distribution of n Ach scores .....	94
4.2	Skewness of the groupwise n Ach distribution .....	98
4.3	Groupwise means, standard deviations and coefficients of variation of n Ach...	99
4.4	Group difference in n Ach .....	101
4.5	Means and standard deviations of N Achievement scores in different countries .....	105
4.6	Means, standard deviations and coefficients of variation of N Ach level of the different tribes .....	108
4.7	Comparison of n Ach levels of the different tribes in the tribal school....	110

TABLE		PAGE
4.8	Comparison of n Ach level of tribal students in tribal and non-tribal schools .....	119
4.9	Components of n Ach .....	123
4.10	Sexwise n Ach: Means, standard deviations and coefficients of variation.....	133
4.11	Sex and n Ach: Differences between means .....	135
4.12	Agewise n Ach: Means, standard deviations and coefficients of variation.....	139
4.13	Age and N Ach: Mean differences .....	141
4.14	Classwise n Ach: Means, standard deviations and coefficients of variation .....	144
4.15	Class and N Ach: Mean differences .....	146
4.16	Location of school and N Ach: Means, standard deviations and coefficients of variation .....	153
4.17	Location of school and N Ach: Mean differences .....	154
4.18	Educational level of father and N Ach: Means, standard deviations and coefficients of variation .....	158
4.19	Educational level of father and N Ach: Mean differences .....	159
4.20	Occupational level of the father and N Ach: Means, standard deviations and coefficients of variation .....	163
4.21	Occupational level of father and N Ach: Differences between means .....	165
4.22	Mobilitywise N Ach: Means, standard deviations and coefficients of variation.	171

TABLE		PAGE
4.23	Mobility and N Ach: Differences between means .....	172
4.24	Correlations: N Ach and the Independent variables .....	176
4.25	Correlations: Age and N Ach .....	177
4.26	Correlations: Class and N Ach .....	180
4.27	Correlations: Number of siblings and N Ach .....	183
4.28	Correlations: Birth Order and N Ach.....	186
4.29	Correlations: Vocational Aspiration and N Ach .....	189
4.30	Correlations: Occupational level of the father and N Ach .....	191
4.31	Correlation: Motivation towards school and N Ach .....	193
4.32	Correlations: Perception of Peers' achievement demands .....	194
4.33	Correlations: Perception of teachers' achievement demands .....	196
4.34	Correlations: Perception of fathers' achievement demands .....	198
4.35	Correlation: Perception of achievement demands and N Ach .....	199
4.36	Correlations: Educational level of father and N Ach .....	201
